

การประชุมวิชาการประจำปีสมาคมเทคนิคการแพทย์ (ACMTT) ครั้งที่ 48
 "AI with a human touch"
 วันที่ 29 มิถุนายน - 1 กรกฎาคม 2569
 ณ ฮิมแพ็ค ฟอรั่ม เมืองทองธานี จ.นนทบุรี

กำหนดการอาจมีการเปลี่ยนแปลงตามความเหมาะสม

Ver 23.1.2026

28 มิถุนายน 69	Registration counters								
13.00-17.00	Registration FI 1								
29 มิถุนายน 69	Registration counters								
8.00-16.00	Registration FI 1								
Grand Diamond Ballroom									
9.00-11.00	สมเด็จพระกนิษฐาธิราชเจ้า กรมสมเด็จพระเทพรัตนราชสุดาฯ สด็จเปิดการประชุมวิชาการ ACMTT ครั้งที่ 48 และเสด็จทอดพระเนตรการแสดงสินค้าและอุปกรณ์ทางการแพทย์								
Coffee break and exhibition visit									
11.00-12.00	Grand Diamond Ballroom								
KL: ถอดบทเรียนการใช้ AI เพื่อยกระดับระบบบริการสุขภาพอย่างยั่งยืน									
12.00-13.00	Lunch (Banquet Hall, F11)								
Exhibition visit									
13.00-14.00	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
The current situation of NCDs and policy directions in Thailand									
International symposium									
Emerging and re-emerging zoonosis: global trends, threats, and preparedness									
Diagnosing Alzheimer's disease: current tools, limitations, and future trends									
From L(A) to I(SO): a story from the reality									
14.00-14.15	Coffee break								
14.15-15.15	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
Exploring the national essential <i>in vitro</i> diagnostics list (NELD) update: 2025 guidelines									
International symposium									
Laboratory and community acquired-infection: a lesson learn									
AI awareness in healthcare professionals									
EQA as a tool for national laboratory quality improvement									
15.15-15.30	Exhibition visit								
15.30-16.30	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206	Sapphire 108	Sapphire 110	Sapphire 111-112	
Corporate symposium 1									
Corporate symposium 2									
Corporate symposium 3									
Corporate symposium 4									
Corporate symposium 5									
Corporate symposium 6									
Corporate symposium 7									
Corporate symposium 8									
30 มิถุนายน 69	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
8.00-16.00	Registration FI 1								
9.00-10.00	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
Clinical guideline update in hematology: CML classification									
A practical testing of pharmacogenetics in medical laboratory									
A syphilis guideline update: practical problem from real-world experience									
Clinical guideline update in diabetes: an ADA 2026									
A story of malaria chronic infection screening in a blood banking: a study model in Thailand									
10.00-10.15	Coffee break								
10.15-11.15	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
Hematological grading report									
มาตรฐานการรายงานผลและข้อกำหนดทางกฎหมายในงานแล็บพิษศาสตร์ยุคใหม่									
Essential viral testing in transplant patients									
Critical laboratory results in intensive care medicine									
Blood supply management in wartime: a lesson learn from real world									
11.15-11.30	Exhibition visit								
11.30-12.30	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206	Sapphire 108	Sapphire 110	Sapphire 111-112	
Corporate symposium 9									
Corporate symposium 10									
Corporate symposium 11									
Corporate symposium 12									
Corporate symposium 13									
Corporate symposium 14									
Corporate symposium 15									
Corporate symposium 16									
12.30-13.30	Lunch (Banquet Hall, F11)								
13.30-14.30	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
LDL subclass: a clinical relevance									
The real world of emergency response: MT in action (Lessons from floods, fires, and earthquakes in times of crisis)									
LAMP and LAM for tuberculosis detection: what they are, when to use, and how they work?									
From lab to bedside: integrating POCT and laboratory validation									
Policy framework and rationale for establishing genomic testing services									
14.30-14.45	Coffee break								
14.45-15.45	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206				
Liver function test in children									
Voices of excellence: experience sharing from awarded medical technologists									
Challenges in malaria diagnosis: discordance between microscopy and antigen testing									
Forensic genomics: DNA testing from crime scene to courtroom									
A screening of BRCA1 and BRCA2 carriers for breast cancer									
15.45-16.00	Exhibition visit								
16.00-17.00	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206	Sapphire 108	Sapphire 110	Sapphire 111-112	
Corporate symposium 17									
Corporate symposium 18									
Corporate symposium 19									
Corporate symposium 20									
Corporate symposium 21									
Corporate symposium 22									
Corporate symposium 23									
Corporate symposium 24									

1 กรกฎาคม 69	Grand Diamond Ballroom	Sapphire 202	Sapphire 204	Sapphire 205	Sapphire 206
8.00-10.30	Registration F1 1				
9.00-10.00	AI-assisted diagnostics: real-world pitfalls and the need for human expertise (A hematology case study)	AI-assisted diagnostics: real-world pitfalls and the need for human expertise (A microbiology case study)	AI-assisted diagnostics: real-world pitfalls and the need for human expertise (An Immunology case study)	AI-assisted diagnostics: real-world pitfalls and the need for human expertise (A cancer case study)	AI-assisted diagnostics: real-world pitfalls and the need for human expertise (A urine analysis case study)
10.00-10.15	Coffee break				
10.15-11.15	Grand Diamond Ballroom				
11.15-12.00	PL: Burnout 101: ฟางานไม่พัง พลังไม่หมด? พีธีปิด				

หมายเหตุ : KL = Key Note S = Symposium CS = Corporate Symposium PL = Plenary lecture
