

International and Annual Conferences of the Association of Medical Technologists of Thailand

(The 44th ACMTT 2020)

“Precision Medicine and MT Professional”

July 1-3, 2020 IMPACT Forum, Muang Thong Thani, Thailand

(Including Pre-conference Workshop on June 30, 2020)

Abstract format

Abstract should be structured to include the following 5 sections:

- Background and rationale
- Materials and Methods
- Results
- Discussion
- Conclusion

Each abstract must be accompanied by 3-5 keywords.

The abstract should not exceed 350 words, prepared either in **English** (Times New Roman 12 point) or in **Thai** (TH SarabunPSK 16 point) using Microsoft Word. Indicate the presenter and corresponding author (in case of multiple authors) with an underline and an asterisk (*), respectively. Please also include an e-mail address of the corresponding author at the end of the abstract.

Submit your abstract via the website www.amtt.org. Should you have any questions, please contact amtt.sca2020@gmail.com.
